## Home Owner Association Board Members Needed for 2014

The Huntington Trails Home Owners Association Board of Directors is made up of 5 members from the community. There are currently 3 people willing to run for the HOA board in 2014 - we need at least 2 more people to be on the board.

The HOA is a group of volunteers who work with our property management company to maintain the public spaces, manage our community finances and ensure the deeds and restrictions of the community are followed. We meet once a month for 1-2 hours.

Please contact Pierre at [pierre@ameritechmail.com](mailto:pierre@ameritechmail.com) or 727.726.8000 x235 if you are interested in being on the board. Board Directors will be elected by the community at the annual meeting on November 13.

## Corner of Marshall & Greensprings: Traffic and Cutting through our Neighborhood

In October, we believe Harborside Christian Church will submit a plan to the city for access to their property at the corner of Greensprings and Marshall. The HOA has already submitted our objections to the city. (please visit [huntingtontrails.org](http://huntingtontrails.org) under newsletter to view). Approximately 2,000 people attend Harborside each Sunday, the corresponding traffic should stay on McMullen Booth and not disrupt the Huntington Communities. If submitted in October, public hearings will be in December and January. We encourage you to attend the meetings and to contact the city. If you attend Harborside and do not like the impact the access drive would have on our community, it would be appreciated that you voice your objections to the Harborside leadership.

Please:

- Put your Recycling and Trash Cans in your garage or other location that can not be seen from the street on non pick up days.
- Keep our streets clean by ensuring your trash and recycling do not get thrown all over our streets by the automated pick up trucks. Try to put paper recycling in a paper bag before putting in the bin so it does not fly away. Close the lid of the bin!
