

Thank you for participating in the Huntington Trails Holiday Party

This event was a tremendous success thanks to Helen & Al Renshaw, Terri & Joe Haggerty, Shauna Randolph, Catilin Haggerty, Chris Crowe, Michael Dommer, and many others. There was a lot of great feedback. Attendees were very thankful! Some loved the two location plan and others would prefer one location so we can all visit together. It was very well organized with lots of food, music, and great conversations. The golf cart parade in the subdivision was a terrific addition to the event. Thank you Helen for the incredible vision!! We also had a suggestion for a second event during the year, in the spring and making it a progressive event. Please feel free to email Nicole with any additional feedback or suggestions.
